From (Name) JAMES HORNELL, ESQ., F.L.S., F.R.A.I.,

(Designation) DIRECTOR OF FISHERIES.

To The Secretary to the Government of Madras,

Development Department.
Through the Accountant-General, Madras.

Sir,

Education Other schools - Sri Jnanodaya Day appointment of a third teacher.

The Sri Jnanodaya Elementary Day School which was taken over in December 1919 by this Department under my orders issued on the authority of G.O.No. 1185 Revenue (Special) dated 17th June 1919 has at present two teachers one on Rs.15 and the other on Rs.12 per mensem with allowances. The strength of the school has now risen to 88 and there is every likelihood of this number increasing in the near future. The present staff finds it difficult to do justice to their teaching work with so large a number

of pupils distributed in five classes. Moreover the work of the teachers in this school in which Mogear children are being educated is made more difficult as the mother tongue of these pupils is Tulu but as it is not now a written language and has no literature they have to be taught Canarese.

I have therefore the honour to request that you will be so good as to obtain the sanction of Government for the appointment of a third teacher on the usual scale of pay with temporary allowances.

The extra cost can be met out of savings under "West coast station and Cannery including Fishery Education" in the current year's Fishery Bureau Budget.

I have the honour to be,

Sir,

Your most obedient servant,

Bonnell 7.11.22
